2015 ANNUAL SCIENTIFIC MEETING

SOUTHERN CALIFORNIA CHAPTER OF THE AMERICAN COLLEGE OF SURGEONS
January 16th through 18th, 2015 • Four Seasons Biltmore • Santa Barbara, California

December 2014

Dear Colleagues and Friends,

We cordially invite you to attend the **Annual Scientific Meeting of the Southern California Chapter of the American College of Surgeons** at the Four Seasons Biltmore Resort in Santa Barbara, California, January 16-18, 2015. Located on the coast south of downtown Santa Barbara, the Biltmore Resort is rated as one of the top resorts in North America. We are looking forward to our return to this outstanding facility.

An excellent program has been organized with an impressive list of presentations. Registered participants will be able to attend any of the sessions that are of interest. There are 42 paper presentations and 21 posters in the general sessions focusing on topics that will be of interest to most surgeons. There are an additional 38 paper presentations in Specialty Section meetings. The California Chapter of the American Society for Metabolic & Bariatric Surgery will be meeting in conjunction with our ACS Chapter. We have worked together to offer a **Metabolic & Bariatric Surgery Specialty** session prior to the ASMBS Chapter meeting on Sunday. We are continuing to offer the popular **Trauma Specialty** session and a **Breast Surgery Specialty** session, as well. The General Surgery Section meeting will focus on Minimally Invasive Surgery. There also are six other specialty section meetings which will have a combination of papers and presentations on focused topics in each surgical specialty.

A number of special events will highlight this year's meeting. The *"What's New in Surgery"* sessions, always a popular aspect of this meeting, will again be held on Friday afternoon this year... a change that proved popular last year. The popular **Welcome Cocktail Reception** will be held Friday evening with our own special brand of homegrown entertainment! We will offer a **Wine and Cheese Reception** on Saturday evening. All poster sessions will be oral, rapid fire presentations. Continental Breakfast is offered each morning before sessions begin. There is a lunch with exhibitors on Friday along with additional oral poster presentations, and again on Saturday to offer a more informal atmosphere.

A breakfast with the faculty designed for Young Surgeons (under age 45) will be held on Saturday morning to discuss issues concerning the future practice of surgery. The Young Surgeons Committee will be putting on the annual **JEOPARDY Resident Competition** on Saturday afternoon — come root for your institution. A special lunch session for **Women in Surgery** will be held Saturday, as well. The Commission on Cancer Hospital Representatives will hold a breakfast meeting on Sunday morning. The Committee on Trauma will meet as well.

The reasonably priced registration fees (**Early Bird rates expire December 15, 2014.**) and the below market room prices to stay at the Biltmore Resort should further encourage you to attend and participate in this outstanding meeting with your family and colleagues. **We have added an on-line registration option at www.socialsurgeons.org, for your convenience.**

We look forward to seeing you in beautiful Santa Barbara.

Sincerely yours,

O. Joe Hines, MD, FACS
President, Southern California Chapter ACS

Farin Amersi, MD, FACS
Chairman, Program Committee

CONFERENCE INFORMATION

OBJECTIVES

This program is designated for practicing surgeons involved in the care of patients. It's meant to provide an update regarding treatment in general and subspecialty surgical practice, and to enhance the knowledge of participants in these areas. The program is intended to meet the needs of surgeons in clinical practice for up to date information on the latest techniques in general and specialty surgical areas and to provide a means for surgical students and researchers to report the results of their research.

ACCREDITATION

The American College of Surgeons is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME CREDIT

The American College of Surgeons designates this live activity for a maximum of **21.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the **AMA PRA Category 1 Credits™** listed above, a maximum of **13.75 credits** meet the requirements for Self-Assessment.

DISCLOSURE. In compliance with ACCME Accreditation Criteria, the American College of Surgeons, as the accredited provider of this activity, must ensure that anyone in a position to control the content of the educational activity has disclosed all relevant financial relationships with any commercial interest. All reported conflicts are managed by a designated official to ensure a bias-free presentation. Please see the complete disclosure list available at the registration desk.
